Public Hearing for 2019-2020 for Title funds—yearly requirement (hearing in July and again in November)—copies of IPP's and By-Laws were available.

The public hearing is available for public to ask questions and discuss the Indian Policies and Procedures (IPPs). The IPPs will be handed out at registration days in the fall so each family will receive a copy of the IPPs.

The IPPs regulate the Impact Aid, Title VII, and JOM. In compliance with ESSA, the IPPs have had added clause that states: The Wagner Community School District will disseminate relevant application, evaluations, program plans, and information related to educational programs and activities with sufficient advance notice (no later than one week) to allow the Yankton Sioux Tribe Business and Claims Committee and parents of Indian Children the opportunity to review and make recommendations.

There are no changes to the IPP's for the 2019-2020 school year.
