

# Raider GOLD Notes

**Mr. Duffek Elementary Principal K-4**

**Date: August 25, 2023**

**Happy Friday to all....**

**Welcome to the 2023-24 school year. The first week of school went very well. Dealing with the unusually hot weather was a challenge, but the students handled the situation very well. Smiling faces roaming the halls of our beautiful school is the best thing ever.**

**Please contact Jessa in the elementary office by 3:00 PM if there are any changes to students getting picked up or bus changes. Her number is 384-3393.**

**Elementary students can be picked up on the east side of the school at the Elementary entrance. Bus students will load on the west side of the school. Students cannot be picked up from the bus lines. Buses depart from the school at about 3:40 PM. For safety reasons changes need to be approved through the Elementary office.**

**Homecoming is earlier this year so be on the watch for notes from the school with details of activities planned and schedules.**

**Have a Great Red Raider Weekend!!**
