Next week is a short week with our Easter Break. Please continue your efforts in getting your child(ren) to school and on time. Instruction starts right way in the morning at 8:35. Our core Reading and Math instruction happens mostly in the mornings. Being in school is a very valuable time for continued academic success as we make a last educational push before the end of the school year.

Plans have been made for the Spring Field trips for each grade level, be on the lookout for permission forms to be sent home with your child soon.

A reminder that we ask that all students (those that don't have an after-school activity) leave the school property when dismissed for the day for their safety and for provided staff supervision/availability. After 4:00 PM students can return to the playground/school area.

**Please let the office know by 3:00 of any changes regarding bus riding needs or where your student needs to be picked up at the end of the day.**

**Announcements are made at 3:10. Buses leave the school around 3:37 every day.**
